

Illinois Department of Natural Resources

One Natural Resources Way Springfield, Illinois 62702-1271
<http://dnr.state.il.us>

Pat Quinn, Governor

Marc Miller, Acting Director

Dear Volunteer:

Welcome to the Illinois Department of Natural Resources (IDNR) Volunteer Campground Host program. You have joined the group of very special people like yourself who love living in recreational vehicles, protecting our natural resources, and enjoy working with the public, helping others, and giving information.

As you look through this handbook, you will find the needed information which will help when you perform the duties expected of you while being a campground host for the Department. You will also come across some suggestions which will aid in making your stay and job more enjoyable.

Thank you for your interest. I hope you continue to visit and have fun camping in Illinois' parks. If you have any questions, please feel free to call me at (217) 785-8129 or my email address is Barbara.L.Foster@illinois.gov

Sincerely,

Barbara Foster

ILLINOIS DEPARTMENT OF NATURAL RESOURCES MISSION STATEMENT

Our mission is to manage, protect and sustain Illinois' natural and cultural resources; provide resource-compatible recreational opportunities; and promote natural resource-related public safety, education, and science.

PURPOSE OF HANDBOOK

- **To help hosts maintain the excellent level of service currently being provided for visitors.**
- **To assist in training new volunteers to be hosts.**
- **To serve as a handy reference for information on hosting.**
- **To help insure a safe, satisfying volunteer experience for hosts.**
- **To assist hosts in selecting the type of service and duty most appropriate for them.**

ILLINOIS

**Department of
Natural Resources**

✓ HOST DUTIES

Campground hosts serve as public relations liaisons providing information, assisting with camping permits and performing other assorted functions.

Hosting opportunities will vary from location-to-location, depending on the need for volunteers. Assignments may last from one to six months. Alternate Campground Hosts are needed. There are times when we have last minute cancellations, and it's helpful to have alternates on file to contact individuals who are available on short notice. Additionally, alternate hosts are used as a temporary replacement of the regular hosts. For example, the regular hosts may need to take a short leave of absence. An alternate host is contacted to fill in during the time the regular host is gone.

The following is a list of what is expected of you. Please be sure to ask enough questions to thoroughly understand the scope and details of your duties.

GENERAL EXPECTATIONS OF HOSTS

- ✓ Volunteer and live in the campground.

All hosts will be given a free campsite but need to provide their own camping equipment in return for services provided. Volunteers will have a "Host" sign at their site.

- ✓ Welcome campers in a cheerful and helpful manner.

Greet campers with a smile. Be prepared with all forms when the campers appear. This will make the check in quicker and help put the camper at ease.

- ✓ Collect camping fees.

- ✓ Acquaint visitors with the park layout and surrounding area.

Brochures are available at the park office which provide a map, history and activities available at the park.

- ✓ Become familiar with points of interest and locations where local services can be obtained.

Knowing the locations of the nearest grocery store, restaurant, church, bait shop and gas station is very helpful to campers.

- ✓ Have information for campers such as weather forecast, where fishing and hunting is good, park restrictions, alcohol restrictions (if applicable) and the time for quiet hours.

- ✓ Set a good example by maintaining a neat and orderly campsite.

Remember, you are a representative of the Illinois Department of Natural Resources, please try to keep your appearance neat and campsite clean.

- ✓ Report necessary repairs and maintenance to park staff.

If you are aware that maintenance work needs to be done in a specific area tell the park staff. Being extra eyes for the staff is very beneficial and helpful to them. Some examples may include: shower building repairs, fire rings need replaced, weeds or trees need to be removed, pads for the campsite need gravel, etc.

- ✓ Assist with special programs and campground activities.

If you are interested in doing programs at the campsite, work with the seasonal interpreter (if there is one), or organize your own program. These do not have to be complicated and limit them to 30-40 min. Advertise ahead of time. Some examples might be: leaf rubbing for children, story-telling, talks or seminars about fishing, trees, animals; wildflower hikes; horseshoe tournament, volleyball tournament. Posters and materials are available through the Departments clearinghouse (217) 782-7498.

- ✓ Other duties as assigned...

Hosts may be asked to do additional duties as needed.

☛ VOLUNTEER SCHEDULE

All hosts have specific duties and scheduled times to volunteer which are determined by the site.

- ☛ Hosts must agree to volunteer 35 hours per week including holidays and weekends.**
- ☛ Hosts normally stay a minimum of 4 weeks.**
- ☛ Hosts will be paid the \$1.00 a day rate on a contractual voucher, and hosts are paid only for actual days worked.**

COLLECTING CAMPING FEES

A primary duty of a campground host is to collect camping fees. Keep in mind camping fees are different for each class site. Make sure you are familiar with the camping fee schedule. This information will be provided to you once you begin your volunteer service or at the campground host training.

Important information to remember...

-  **Make sure you tell the campers to read the back of the permit. It explains the rules, and that they are responsible for that information.**

-  **You MUST indicate when someone pays by check by putting the driver's license number on the camping permit. Otherwise, they could come back for a refund and receive cash back on a bad check.**

-  **The camper must be an Illinois resident to receive any discounts. Seniors 62 or older will be charged one-half the established camping fee on any Monday, Tuesday, Wednesday or Thursday, at Class A and B sites but must pay the entire established camping fee on all sites on any Friday, Saturday or Sunday.**

-  **Review regulations on disabilities. The camper must have the number "2" following the disability letter in order to qualify for the discount.**

-  **An Illinois resident who is a disabled veteran or former prisoner of war may camp without being charged a camping fee, but if at a site with utilities, must pay the entire utility fee for each day of camping. Appropriate documentation from the Illinois Department of Veteran Affairs must be presented to qualify.**

* FORMS

New campground hosts must fill out a Campground Host Application/Job Description and Waiver/Release of Liability. Your forms will be kept on file at the park and in the Springfield office. Applicants for campground host positions must be at least 21 years old and have a valid driver's license .

Returning hosts must also fill out The Campground Host Application/Job Description and the Waiver/Release of Liability.

Hosts will need to sign a vehicle authorization form if you will be driving a state or personal vehicle.

[CAMPGROUND HOST APPLICATION/JOB DESCRIPTION](#)

[WAIVER/RELEASE OF LIABILITY](#)

[VEHICLE AUTHORIZATION - VOLUNTEERS](#)

FORMS MUST BE FILLED OUT ON AN ANNUAL BASIS!

The Campground Host Coordinator must have an updated form on file each year.

☺ **All Hosts receive:**

- ☺ Current applications need to be on file each year
- ☺ Training
- ☺ Shirts
- ☺ Name badges

Campground hosts shirts will be provided along with a plastic engraved name tag for proper identification. Hosts must do their own cleaning of the uniforms. *Remember to wear your uniform and name tag.* This will attract campers to you.

★ SECURITY ISSUES ★

THOUGHTS FROM YOUR CPO

A Conservation Police Officer (CPO) is available in the district in which the park is located. Ask the staff at the park who your CPO is and introduce yourself to him or her.

☛ IMPORTANT THINGS TO REMEMBER...

Keep a list of emergency telephone & radio numbers.

Be aware of the "chain of command". Know who you should call first, second, etc. during an incident or emergency.

If you are calling for a CPO and they do not respond it is probably because they are out of their vehicle and they must be on the State Police band. *They are not ignoring you.* Unless it is an emergency, wait and try to call them back a little later. In case of life threatening emergency, contact Park Staff first or call 911.

When dialing 911 - use a hard line (regular phone). Cellular phones do not work as well - the call may take longer if you use a cell phone.

Inform campers of the alcohol ban, if one exists, within the campground. If anyone is drinking in an alcohol-free campground take note of it and contact the park staff. A CPO will be notified and will confiscate all alcohol in their possession.

Juveniles need to be under supervision in campground during the 10pm - 7am quiet hours.

Do not take law enforcement issues into your own hands - leave it to the CPO or the Site Security Officer. The best thing for you to do is be a good witness. Take notes on vehicle color, license plates, campsite number, and physical descriptions, so you do not forget the information. If you suspect illegal behavior, you should take notes and contact your CPO as soon as possible.

DO NOT put yourself in harm's way.

TIPS FOR CAMPGROUND HOSTS

-  **Leave notice at your site when you leave. This will help campers know what to do.**
-  **Talk with campers to discuss any concerns they may have, and distribute the visitor survey forms**
-  **Be aware of local events such as festivals, tournaments, etc.**
-  **Always keep lines of communication open among you, the campers and the site staff.**
-  **You must know the rules of the park and follow them. People are always watching what you do, so your activities are important.**
-  **You should maintain a relationship with the concessionaire. You will be able to better inform campers of what is available to them at the concession.**
-  **You can't always resolve problems - just always follow the rules. If you don't know an answer ask the staff to help you.**

Phone Etiquette

At times, hosts will be responsible for answering the phones at the parks, for example hosts at Rock Cut State Park are to answer the phone in the registration booth. It is important that they are aware on how to properly handle phone calls. Ask the staff at the park at which you are hosting for information on phone etiquette.

SITES WHICH USE CAMPGROUND HOSTS

NORTHWEST

REGION I

1. ***Anderson Lake Conservation Area*** - minimum of 3 positions rotating monthly
Astoria, IL (309) 759-4484
2135 acreage

Marseilles, IL (815) 795-2448
510 acreage
Class A, B/S, Y sites

With both tent and trailer sites available, there is something for every type of camper at Illini State park. The campgrounds are *Great Falls and Whitetail* with 50 sites each. Some sites feature breathtaking river views. Electricity and sanitary dumps are among the services offered. A youth group area is also available for youth groups. A Rent-A-Cabin is available. Additional activities: picnicking, boating, fishing, winter sports.

Specific duties: hosts are required to greet campers, register campers, collect fees, they are responsible for locking the gates and reporting problems to staff. Check & report any problems in campground shower buildings to Supervisor in charge.

7. ***Johnson-Sauk Trail*** - minimum of 2 positions
Kewanee, IL (309) 853-5589
1361.5 acreage
Class A, C, D, Y sites

The *Chief Keokuk Campground* features 71 electric sites with gravel pads and 25 non-electric sites. A shower building, sanitary dump station and playground is available for campers The shower building is open and water available from May 1 until October 31.

Additional activities: picnicking, fishing, boating, hiking, concession, boat rental, winter sports, hunting programs, playground and historic Ryan's Round Barn.

Specific duties: welcome visitors, issuing camping permits, collect fees, pick up litter in the campground and report any problems to staff.

8. ***Jubilee College State Park*** - minimum of 6 positions
Brimfield, IL (309) 446-3758
3500 acreage
Class A, B/S, C, Y sites

Campground facilities, open from April 15th to November 15th accommodate recreational vehicles or tents and include a shower building with flush toilets, a trailer dump station, graveled pads, and grills, with water hydrants and privies conveniently located. Groups are welcome.

Additional activities: picnicking, equestrian facilities, hiking, fishing, winter sports and hunting. Specific duties: register campers, collect camping fees and maintain host camp site. Check & report any problems in campground shower buildings to Supervisor in charge.

9. *Lake Le-Aqua-Na* - minimum of 6 positions

Lena, IL (815) 369-4282

715 acreage

Class A, B/S, C, Y sites

The camping area is open from May 1 to Oct. 31, and most are available on a first-come, first-served basis. A few sites, however, may be reserved in advance beginning Jan. 2 each year. Alcoholic beverages are not allowed anywhere in the park from March 1 through May 31. Alcohol is also prohibited in the campgrounds all year.

More than 177 campsites, with electricity available to nearly 140, are grouped into three designated areas. RV campers, tent campers, equestrians and youth groups will find most everything they need at these sites. Class A facilities, include graveled pads, conveniently located water hydrants, a dumping station, and a shower building with flush toilets. Class B facilities offer vehicular access and the use of the shower building.

Big Buck Campground is separate from the other areas and is maintained for equestrians. It is accessed from the country roads bordering the park. Groups of more than 25 persons and youth groups must obtain advanced permission to use the camping facilities.

Additional activities: trails, winter sports, canoeing, paddle boats, concession stand.

Specific duties: register campers and collect camping fees. Check & report any problems in restroom facilities to Supervisor in charge.

10. *Lowden State Park* - minimum of 4 positions

Oregon, IL (815) 732-6828

207 acreage

Class A, B/S, D sites

Eighty camping sites include limited electricity, a shower, sanitary dumping station for trailers. During the summer, a refreshment stand provides cool drinks and snacks. There are also 8 walk-in camping areas for those who like more primitive camping.

Additional activities: picnicking, hiking, fishing and boating.

Specific duties: register campers and collect camping fees, pick-up grounds, responsible for the management of the rental cabin.

11. *Marshall State Fish & Wildlife Area* - minimum of 2 positions

Lacon, IL (309) 246-8351

5658 acreage

Class B/E, C, D sites

Tent and trailer spaces with electricity, water and shower access are available (22 class B/E sites, 6 class C sites). Primitive camping is available except during the waterfowl hunting seasons.

Additional activities: picnicking, boating, fishing, hunting, trails, and winter sports.

Specific duties: register campers, collect camping fees, provide visitors with information about the area and campground. Check & report any problems in the campground shower buildings to Supervisor in charge.

12. *Mississippi Palisades State Park* - minimum of 8 positions

Savanna, IL (815) 273-2731

2505 acreage

Class A, B/S, D, Y sites

With 241 Class A and B/S trailer sites in both shaded and open areas, Mississippi Palisades is in demand by campers. Because of its popularity, in fact, all camping is on a first-come, first-served basis, and reservations are not accepted. Electrical hookups are available at 110 sites. Showers and flush toilets are situated in three buildings and are in operation from May 1 until Oct. 31. You can pick up supplies at a camp convenience store, open during the summer. The campground also features water and two sanitary dump stations.

Two youth camping sites are available. These may be reserved. An adult must accompany every group of 15 minors. Any group of 25 or more must get permission from the site personnel before entering the park.

Three primitive walk-in sites also are tucked into Mississippi Palisades. By hiking approximately one half-mile, you'll be able to enjoy rustic camping along the park's serene northern trails.

Additional activities: trails, fishing, boating, hunting, picnicking, and winter sports.

Specific duties: issue camping permits and collect camping fees, provide visitors with information about the area and campground, and take messages to campers, if needed, check & report any problems in campground shower buildings to Supervisor in charge.

13. Morrison Rockwood State Park
18750 Lake Road
Morrison, IL 61270 (815) 772-4708
Class A,B,S,Y

Camping at Morrison-Rockwood State Park is sure to delight all who love the out-of-doors. Ninety-two camping sites are available in heavily wooded areas of the park. Each site has electricity, grill and a table. A shower building with flush toilets is available from May 1st through October 31. A trailer dump station is conveniently located near the campground.

Lake Carlton provides one of the best fishing spots in Illinois. Its average depth is 12 foot, with a maximum depth of 27 foot. It has a shoreline of 2.9 miles with plenty of room for shore fishermen. Initial stocking of the lake was completed in 1970 and the lake has been managed since then to maintain a plentiful fishing variety. Anglers may catch largemouth bass, black crappie, Rock bass, channel catfish, redear sunfish, bluegill, muskie and walleye. In addition to shoreline fishing, there are nine piers which are designated for fishermen.

14. Prophetstown State Recreation Area
P.O. Box 181
Prophetstown, IL (815) 537-2926
52 acreage
Class A, B/S, Y sites

An open, well-shaded area is available for both tent and trailer camping. Electrical hookups are available at 44 sites. Non-electrical sites number 42, some near the river. A dump station is available for trailers. Shower house with flush toilets centered in campground. Water hydrants are located throughout the area. Boat ramp and bait shop in park. Additional activities: picnicking, fishing, horseshoe court, hiking trail. Swimming and hunting located nearby. Specific duties: register campers and collect camping fees, distribute information about the park, check & report any problems in campground shower buildings to Supervisor in charge, assist in maintenance of flower plots.

15. Rice Lake State Fish and Wildlife Area - minimum of 2 positions

19721 N US 24

Canton, IL (309) 647-9184

5660 acreage Class B/E, C, Y sites

Tent and trailer camping is available. Thirty-four of the sites are graveled and have electricity hookups and grills. A sanitary dump station, toilets and a boat launch is available in the campground. The tent camping area is in a separate area and may flood.

Additional Activities: picnicking, fishing, and hunting, playground.

Specific duties: register campers and collect camping fees, check & report any problems in campground shower buildings to Supervisor in charge.

16. Rock Cut State Park - minimum of 10 positions

7318 Harlem Road

Loves Park, IL (815) 885-3311

3092 acreage

Class A, B/S, C, Y sites

For those who want to include an overnight stay in their visit to Rock Cut, the park offers 215 class A sites and 60 class B sites. Open year-round, the campgrounds provide water, electricity, sanitary dump stations, showers, toilets, a boat launch and playground equipment. Only electricity and pit toilets are available in the winter season.

A youth group area is available May 1 to Oct. 31 by reservations only.

Equestrian camping is restricted to a site on Hart Road. Groups of more than 25 persons need advance permission from the site superintendent before they can enter the park. Alcohol is prohibited in the campground.

Hosts will be responsible for manning the registration/information booth at the front of the park. Campers register at the booth before they enter the park. Hosts are also available throughout the park at specified sites.

Additional activities: swimming, picnicking, winter sports, fishing, and boating.

Specific duties: register campers, collect camping fees, provide visitors with information about the area and campground check & report any problems in campground shower buildings to Supervisor in charge.

17. *Shabbona Lake State Park* - minimum of 6 positions

4201 Shabbona Grove Rd.

Shabbona, IL (815) 824-8106

1546 acreage

Class A, S sites

The campground has 150 class A sites with electricity, a sanitary dump station, and a shower building with flush toilets. All camping facilities are accessible to the disabled. Campgrounds may be closed during the spring thaw due to road conditions, and shower facilities close during the winter.

Additional activities: picnicking, concessions, hiking, fishing, boating, hunting and winter sports.

Specific duties: write permits, answer public questions, pick up litter in campground, check & report any problems in campground shower buildings to Supervisor in charge, work in check station during busy times.

18. *Starved Rock State Park* - minimum of 6 positions

Route 178 & 71

Utica, IL (815) 667-4726

2630 acreage

Class A, Y sites

There is a large campground in the south of the park, with 133 class A campsites complete with water, electricity and showers, a separate youth group camping area, and a children's playground. Seven campsites are accessible for people with disabilities. Alcohol is prohibited in the campground.

Additional activities: hiking, fishing, boating, horseback riding, Equestrian camping, winter sports, and picnicking.

Specific duties: collect permits 7 days a week on the day shift, man permit booth on Friday, Saturday & Sunday, collect expired permits daily, check campground for any vacant sites available to sell, check & report any problems in campground shower buildings to Supervisor in charge, hand out all information available to campers.

19. *White Pines Forest State Park* - minimum of 2 positions

6712 White Pines Rd

Mt. Morris, IL (815) 946-3717

385 acreage

Class B/S, Y sites

White Pines Forest State Park has 107 class B campsites, with vehicular access, as well as tent and trailer sites. In addition, there is a youth group campground.

Because of the nature of the terrain in this area, soft ground and high water may sometimes close campgrounds. It's a good idea to check ahead with the site superintendent's office to be sure the facilities are open.

Seven campsites are handicapped accessible.

Alcohol is prohibited in the campground.

Additional activities: picnicking, hiking, and winter sports.

Specific duties: write camping permits and collect fees three days a week from campsite and two days a week from camping permit station when on afternoon/evening shift. Check campgrounds for persons needing permits.

Report any problems in the campgrounds to park staff, inform the public of the rules and regulations of the park, park activities and answer questions from visitors.

20. *Woodford State Fish & Wildlife Area* - minimum of 2 positions

2009Route 26

Lowpoint, IL (309) 822-8861

2901 acreage

Class C site

Sites for tents and trailers are provided. Water, pit privies and a sanitary dump station are available. Due to periodic flooding of the Illinois River, it is advisable to call ahead and check on conditions before you visit.

Additional activities: picnicking, boating, fishing, hunting, and trails.

Specific duties: register campers and collect camping fees.

NORTHEAST

REGION II

1. *Chain O'Lakes State Park* - minimum of 6 positions

8916 Wilmot Rd

Spring Grove, IL (847) 587-5512

6063 acreage

Specific Duties: register campers, collect camping fees, distribute information about the park, report security problems, check & report any problems in campground shower buildings to Supervisor in charge.

EAST-CENTRAL

REGION III

1. *Clinton Lake State Recreation Area* - minimum of 3 couples or 3 singles

RR #1 Box 4

DeWitt, IL (217) 935-8722

9915 acreage

Class A, B/S, Y sites

There are 17 class AA sites, 286 class A sites and 5 class B campsites with showers and almost all are adaptable to either tents, trailers or motor homes. Each site is equipped with a grill and picnic table. Reservations are taken on 6 class AA sites, 74 class A sites and all of 5 class B sites. The wooded area along the lake provides the perfect setting to turn in after a long day of fun. A group camp area for adults or youth groups has room for 75 and provides a secluded wooded setting with a large shelter with electricity, RV pads with electrical hookups, toilets, tables, grills and water.

Additional activities: fishing, boating, swimming, water skiing, hiking, picnicking, hunting and winter sports.

Specific Duties: register campers, collect camping fees, provide visitors with information and assist site staff with camper, check & report any problems in campground shower buildings to Supervisor in charge.

2. *Eagle Creek State Park* - minimum of 3 couples

RR. #1 Box 198B

Findlay, IL (217) 756-8260

1463 acreage

Class A, C, D, Y sites

There are 160 vehicular camp sites (including 150 class A sites with electricity, water hydrants, fire blocks, picnic tables and showers): a tent camping area and an organized group camping area available for longer stays.

Additional activities: picnicking, fishing, hiking and hunting.

Specific Duties: Register campers, collect camping fees, monitor restrooms for cleanliness and supplies and report any problems in campground shower buildings to Supervisor in charge.

3. *Hidden Springs State Forest* - minimum of 1 couple

RR #1 Box 200

Strasburg, IL (217) 644-3091

1121 acreage

Class C, Y sites

***Possum Creek*, a class C campground, includes water, privy, sanitary disposal station, pedestal stoves, fire blocks and a fire ring. Campers may set up camp on the site of their choice. *Shady Grove Campground* accommodates groups by reservation only. Ground fires in both areas are allowed only in the fire rings provided.**

Additional activities: picnicking, boating, fishing, hiking and hunting.

Specific Duties: register campers and collect camping fees

4. *Kickapoo State Park* - minimum of 2 couples

10906 Kickapoo Park Rd.

Oakwood, IL (217) 442-4915

2844 acreage

Class A, B/S, D, Y sites

Kickapoo has two major campgrounds for tent and trailer camping, with 183 sites. About half the sites have electrical hookups, and a sanitary dump station is available. Campers occupying electrical sites are required to pay for the availability of electricity even if the service is not used. A limited number of walk-in sites are available for primitive campers.

Several campsites can be reserved in advance by mail or applying in person. The maximum length of stay is 15 days in a 30-day period. Group camping is permitted. Campers must have camping equipment with them when they register to camp.

Additional activities: fishing, boating, canoeing, scuba diving, hiking, running, picnicking, hunting, mountain biking and winter sports.

Specific Duties: register campers and collect camping fees, help out with the litter pick-up around the campgrounds, check the cleanliness and supplies of the restrooms and report any problems in campground shower buildings to Supervisor in charge.
